

**STATEMENT OF CANDIDATE FOR
MEMBER OF THE LODI CITY COUNCIL**

BRIAN B. BADER

Age: 44

Occupation: Roofer/Drink Mix Distributor/Retired

My education and qualifications are: Hello, I am Brian Blake Bader, born 11/2/57. I am a resident of Lodi. I am 44 years old. I have been a roofer for 28 years, and owned my own business, and attended Bible College, and was an EMT, and distributed, and trademarked my own drink mix.

I am running for City Council, because Lodi is a little rough around the edges, and could use some educating on views that can help, and assist others who are needy or ill. Although, I have been through some legal, and political issues of my own, but through the process I have become educated in the law, and have a great understanding of rights that people have, and they need to be understood through all officials in, and out of the Lodi limits. Because, of my own trials, and tribulations, I have become educated, and compassionate towards the rights of the American people.

If I am elected, I will give 100 percent of myself to assist Lodi in a metamorphosis to become more user friendly, and assist in making it a place of equality for all.
